MIGRANT EDUCATION PROGRAM

**PROGRAMA DE EDUCACIÓN
MIGANTE**

If you and/or your family move in search of agricultural, forestry or fishing work, contact the Migrant Education Program from your new location by calling the national line:

1-800-234-8848

WHO ARE WE?

The Migrant Education Program is a federal program that offers supplementary services to migrant students with the aim of guaranteeing their academic success from preschool all the way through high school graduation, whether via a high school diploma or GED, in order to ensure a successful transition to postsecondary education and/or working life.

The Migrant Education Program recognizes that all families possess strong cultural resources and strengths that contribute to the success of their students, and that difficulties related to migrant status should not limit access to quality education and tools to navigate the educational system in an effective and proactive manner.
